We will send you free SMS alerts to notify you when you reach 50%, 85% and 100% of your monthly data allowance. There may be a delay of up to 48 hours with these SMS alerts.

### Information About Pricing

This post-paid mobile voice service uses the Telstra 4G & 3G mobile network. The minimum charge is shown in the table above. If you use more than your data allowance or use your mobile for services not included in the credit you'll have to pay more than the minimum charge.

#### International Roaming

Making and receiving calls overseas is excluded from your call credit. These calls and data rates are outside our control. Roaming charges are higher

than charges for international calls from Australia and data usage may be more expensive. Customers may also be charged for both making and receiving calls while overseas. We strongly recommend you do not use International Roaming but buy a local SIM card when you arrive at your destination.
