## Other Information

<b>Installation</b>	The activation time of a single service is 8-20 business days (excludes Sat, Sun and public holidays) from the time of a qualified order. Activation times can be impacted by: <ul style="list-style-type: none"> <li>• Natural disasters or extreme weather conditions that cause mass outages</li> <li>• Incomplete, incorrect, or invalid address details</li> </ul>
<b>Future Infrastructure Upgrades</b>	MyNetFone commit to you that if the NBN becomes available in your area, and you would like to migrate over to using our NBN services, we will help you do this with no contract break fees and no new service setup fees. In some cases you may be able to use the modem/router hardware that you have in place now. If not, a suitable modem/router can be sourced from the MyNetFone Residential Sales Team or our online shop.
<b>Renter Internet Plan Terms and Conditions</b>	Customers get one free relocation every 6 months to a MyNetFone serviceable address. The service is delivered over either Naked ADSL2+ Optus or Traditional ADSL2+ Telstra Network. No pro-rate credit on month paid in advance on original address. A relocation service order may take between 10 to 20 business days to complete. As such, customers are advised to give MyNetFone as much notice as possible.
