For FTTB/N service, speed tiers eligibility can be verified following service activation. Speed tier change is free of charge.

Any unused data allowance expires at the end of your billing period.

The cost of 1 GB of data (included in plan) = \$0.25 on Basic speed, \$0.30 on Standard speed, \$0.35 on Standard Plus speed and \$0.40 on Premium speed.

If you exceed your data quota, the service speed will be limited to **256kbps** until the end of your billing month.

Early Termination Charge **\$199.00**

Relocation Charge **\$99.00**

If there is no MyNetFone **nbn™** services coverage at your new address, we will offer you with an ADSL service. If you accept our ADSL offer, we will waive the early termination charge. Otherwise, standard termination charges will apply.

Additional Charges Additional/other charges may apply. Click [here](#) to know more about additional/other charges.

Billing Information

Billing Date Your bill is charged on the same date each month and is the date your account was created (for example, 11th May, 11th June, 11th July etc...).

Service Activation Date The service Activation Date is the date that your service is ready to use.

First Bill Charges Your first bill will include:

- Partial monthly charge from when the service was activated until the next Billing Date.
- Any additional charges for non-recurrent items used during that billing period
- The minimum monthly charge in advance for the next billing period
