- SMS 25 cents

\$35	\$500	210
\$45	\$800	336

- SMS 25 cents (up to 160 characters)

The SIM replacement fee is \$20. An \$8 port out charge is applied if you disconnect or transfer your mobile service.

Data Boost

If you use more than your included data during your billing month we'll automatically boost your limit by another 1GB for \$10. Each time you use all of your data inclusion we'll give you another 1GB for \$10, up to a maximum of 3GB additional on one account per month. You will then be charged for casual data at the rate of 5 cents per MB, with a minimum charge of 25 cents. Your service may then be restricted. Extra data will expire at the end of your billing month. At the end of your billing month you'll automatically be moved back to your plan's original inclusions and charges.

Billing

Email billing is free. There is a \$2.20 charge to print and post a paper bill. We waive this charge if you have more than one service with us.

Your service is invoiced on the same date each month. The monthly plan fee is charged in advance. Your first invoice will be for more than the monthly plan fee because it will include the plan fee for the days between service activation and your first invoice date plus the plan fee for the next full month.
